LEADERS IN ACTION

Our club is a proud part of this community and of Rotary International. Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We are community and business leaders representing different professions, experiences, and perspectives but with a shared desire to connect with others to address the challenges affecting our community and communities around the world.

The Rotary Club of South Pasadena offers opportunities for members, friends, students, and community leaders to get involved and effect change.

Through workshops, social events, and service projects, together we learn about the issues facing our community and communities all over the world, partnering with local, national, and global experts to exchange ideas about potential solutions and to draw up action plans to respond.

Along with these opportunities to effect meaningful change, members also regularly network, resulting in lifelong friendships and business connections.

MAKING A DIFFERENCE

Solving real problems takes real effort, commitment, and vision. Rotarians work to protect communities from preventable disease, keep women and children healthy, improve education and economic outcomes, create safe water and sanitation infrastructure, and make our community and the world a more peaceful place.

We are working with various partners on the following projects:

- South Pasadena and El Serreno High Schools — to provide leadership opportunities for youth through camps, scholarships, music and essay competitions, and internships
- Community participation — South Pasadena Tournament of Roses, South Pasadena Festival of Balloons, South Pasadena beautification, South Pasadena Chamber of Commerce, the arts, and providing community grants
- International impact — building houses in Mexico, clean water in Tanzania, and providing medical surgeries for children
- Ending polio — Partnering with the Bill & Melinda Gates Foundation, the World Health Organization, and UNICEF to end polio, once and for all

GET INVOLVED

Mission:

The Rotary Club of South Pasadena provides an opportunity for community and international service, while building friendships and developing leaders.

By becoming a member you join a network of leaders that make an impact both here and around the world.

We welcome guests to check us out and discover opportunities we offer to get involved and lead meaningful projects. Our members find that it's a life changing and rewarding experience.

I've been a Rotary member for 8 years and recently transferred my membership to South Pasadena. As a dental professional, expanding my network of friends and community leaders through Rotary is meaningful to me. — Raymond Kwok, DMD, Club Member

By Googling service clubs in South Pasadena, I found the Rotary Club. In April of 2016, I journeyed with my new friends to Tecate Mexico, near where I was born, and helped build a house in a day for a family! Service above self is what we're about. — Robin DaSilva, Club Member
